Drive your Ambition

> WE'LL OBSESS OVER THE DETAILS. YOU ENJOY THE RIDE.

At Mitsubishi Motors, we're fixated on the idea of perfection. There's a word in Japanese for this kind of obsession: Kodawari, which means "in pursuit of perfection." The practice focuses on three key pillars: passion, persistence and precision. To manifest Kodawari, we apply these pillars over and over, infusing them into every vehicle we engineer, design and innovate.

Why do we yearn to achieve perfection? Why are our standards so exacting? Why is attention to detail so essential? The answer is simple: you. Our customers. The people who drive our cars. Those with an appreciation for uncompromising craftsmanship and a pioneering spirit. The ones who don't mind being a bit unconventional, if it means pushing boundaries and blazing new trails. Some call it idealistic, but for us, it's simply **Kodawari**.

> **KODAWARI**

**PASSION IS A FIRE FROM WITHIN, AN INNER
CONVICTION THAT SOMETHING IS WORTHWHILE.**

**ALL OUR PASSION FOR CRAFTSMANSHIP WENT
INTO BUILDING THE 2023 OUTLANDER SPORT
– AND THE RESULT IS A VEHICLE THAT PEOPLE
LOVE DRIVING.**

THE 2023 OUTLANDER SPORT

> NEXT STOP, ADVENTURE

Summon your inner wanderer and jump into new experiences with the 2023 Outlander Sport. Built to seek adventure, the Outlander Sport offers comfort, reliability, and our latest advanced safety features in one affordable package. Equipped for fearless performance, the powerful 2.0L and available 2.4L engine make every trip a thrill. For added handling, the standard All-Wheel Control System¹ monitors the road and adapts to changing conditions, which means the Outlander Sport is made to go just about anywhere.

Plus, with sporty looks and an intrepid nature, it offers plenty of fun along the way.

Take on your next adventure with the new 2023 Outlander Sport.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> 01 SWING INTO TRACTION

The 2023 Outlander Sport lets you explore without limits. Inspired by our rally racing heritage and motorsport championships, the legendary Mitsubishi Motors **All-Wheel Control**¹ system allows you comfortably navigate all types of terrain. Whether it be snow, gravel, or highway, it actively monitors the road and intelligently delivers power to the wheels with the most traction. Featuring available **Electronic Brakeforce Distribution** and **Brake Assist**², the Outlander Sport helps each wheel get the proper amount of braking force. Along with standard **Active Stability Control**² to increase traction, handling, and performance.

> MADE TO MOTOR

The 2.0L four-cylinder engine delivers 148 HP and 145 lb-ft of torque for maximum agility and smooth pick-up. Engineered to give you the best of both worlds, it balances consistent engine power with low fuel consumption³ for a driving experience that's effortless and efficient. An available 2.4L four-cylinder engine boosts power to 168 HP and 167 lb-ft.

> **FEEL-GOOD FUEL EFFICIENCY**

**EXPLORE
PERFORMANCE**

Balancing performance with fuel economy, the Outlander Sport goes full throttle without guzzling the gas tank. Feel free to roam farther with a rating of **23 City/29 Highway/26 combined MPG** that's among best-in-class.³

> 02 KEEP YOUR WORLD CLOSE

The 2023 Outlander Sport seamlessly connects you to entertainment, navigation and all your contacts – no matter where you are.⁴ With the available **8" Smartphone Link Display Audio System**, it's as easy as a few taps on the touchscreen. Make hands-free calls and jam to playlists over Bluetooth. Access your favorite apps through available **Apple CarPlay**^{®5} and **Android Auto**^{™6} and use voice navigation with Siri[®] or Google Assistant[™]. Plus, available easy-to-reach dual front (2x USB-A) and rear USB ports (1x USB-A/1x USB-C) help keep everyone else connected, too.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

DEALER ePROCESS

> **THE FORECAST CALLS FOR COMFORT**

In the Outlander Sport, everyone can get their temperature just right. **Automatic Climate Control** directs the air where it's needed so drivers and passengers are equally comfortable.

Optional features shown. Available at additional cost. Visit mitsubishicars.com for more information.

> ALL SYSTEMS GO

EXPLORE TECHNOLOGY

Get in your Outlander Sport with one touch. With the available **FAST-Key Entry System**, you can quickly lock or unlock your Outlander Sport by simply pressing a button on the door handle. Then, the push button start makes it just as easy to get on your way. To power up, push the start/stop button while applying the brake.

> 03 STAY ON THE SAFE SIDE

Your peace of mind comes first, which is why the 2023 Outlander Sport is equipped with our latest integrated safety systems. The standard **Forward Collision Mitigation system with Pedestrian Detection**⁷ scans the path in front of you, sending alerts when it detects something in the way. If you don't respond and there's a chance of collision, it attempts to brake on your behalf.

You can also stay aware of vehicles behind you with **Rear Cross Traffic Alert**,⁸ which will detect collisions before they happen.

> GUIDING LIGHT

Ideal for nighttime driving on busy roads, the Outlander Sport's standard **Automatic High Beam (AHB)** provides better visibility for you and other drivers. If the system detects cars ahead and in oncoming lanes, it switches to low beams. When the road ahead is clear, the high-beam headlights will automatically switch back on.

> **ADDED BUFFER**

**EXPLORE
SAFETY**

The Outlander Sport's front and side-curtain airbags⁹ all work together to safeguard you and your passengers.

In addition to six standard airbags, a seventh airbag is included underneath the driver's side dashboard for even more protection.

> **KODAWARI**

**PERSISTENCE IS THE ABILITY TO KEEP GOING.
THE DEDICATION AND COMMITMENT THAT
DOESN'T BACK DOWN FROM A CHALLENGE.
WITH THE 2023 OUTLANDER SPORT, WE'RE
EXPANDING THAT HORIZON.**

> 04 STEP OUT IN STYLE

As if its safety, technology, and performance features weren't enough, the 2023 Outlander Sport has style to boot. The bold front grille is rounded out perfectly by firm, muscular lines, while sharp, sleek LED daytime running lights, headlights, and available fog lights add a touch of athleticism. Its sporty stance conveys style and presence with a down-to-earth twist.

> CONVENIENT BEYOND COMPARE

The Outlander Sport's standard heated power side mirrors eliminate frost and fog, so you can clearly see the road ahead and behind you. Once you step inside, heated seats are there to warm you up quickly, allowing you to focus on the drive.

> FROM THE GROUND UP

EXPLORE
EXT. DESIGN

Every detail of the Outlander Sport's exterior has been carefully considered, and its available 18" alloy wheels are no exception. Sleek, black styling complements the sporty aesthetic and conveys Mitsubishi's motorsports heritage.

> 05 WHAT'S ON THE INSIDE COUNTS

Road trip, anyone? The 2023 Outlander Sport's spacious interior has everything you need to set off on the open road in comfort and style. The plush seating and combination soft-touch surfaces are designed to cradle and support your body for the entire journey. Carrying up to five passengers, the generous cabin area also gives everyone plenty of space to stretch out and lounge along the way.

> PACKED WITH FUN

Whether you're just popping around the corner or going across the country, you can bring it all along for the ride. Loading up is a breeze, thanks to the Outlander Sport's generous trunk, folding seat, and low cargo floor. Not only is there 49.5 cubic feet of space behind the front seats with the second row folded, but it's also customizable. The final result is an array of flexible storage solutions for whatever's coming with you.

> PRIMED FOR WARMTH

EXPLORE
INT. DESIGN

Thoughtful details in the Outlander Sport's interior make it easier to withstand frosty temperatures. With available front heated seats to keep you cozy during winter drives, you'll never feel left out in the cold.

> **KODAWARI**

**PRECISION IS ABOUT MORE THAN SHARP LINES
AND EXACTING STANDARDS. IT'S A HABIT OF
ATTENTION, A PRACTICE OF THOROUGHNESS.
WHERE OTHERS SEE RIGOR, WE SEE
OPPORTUNITY FOR IMPROVEMENT.**

1. All-Wheel Control (AWC) is an Integrated Vehicle Dynamics Control System that manages the driving forces and braking forces of the four wheels to help realize vehicle behavior that is faithful to the operation by the driver under a variety of driving conditions. AWC is not a substitute for safe and careful driving. **2.** The Active Stability Control system is not a collision avoidance system or an automatic driving system. It is designed to use only limited braking and is never a substitute for safe and careful driving. Never rely solely on the Active Stability Control system. **3.** 2023 EPA Fuel Economy Estimates 23 City/29 Highway/26 Combined for Outlander Sport 2.0 S, ES, LE, SE; 23 City, 29 Highway/26 Combined for Outlander Sport 2.0 AWC ES, LE, SE; 23 City/28 Highway/25 Combined for Outlander Sport 2.4 AWC GT. Actual mileage may vary with driving conditions. Use for comparison only. **4.** Distracted driving is dangerous. Restrict use of connected devices, vehicle displays, and vehicle controls to safe times. Always exercise caution so your full attention is given to vehicle operation. **5.** Apple CarPlay: Available feature. Apple CarPlay®, Siri®, and Apple Music® are trademarks of Apple Inc., registered in the U.S. and other countries. iPhone is a registered trademark of Apple Inc. Distracted driving is dangerous. Restrict use of connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. **6.** Available feature. Android™, Android Auto™, Google™, Google Play™, Google Maps™, Google Assistant™, Google Home™ and other marks are trademarks of Google LLC. Distracted driving is dangerous. Restrict use connected devices to safe times and always exercise caution so your full attention is given to vehicle operation. Restrict use of connected devices to safe times and always caution so your full attention is given to vehicle operation. **7.** The Forward Collision Mitigation (FCM)/Pedestrian Detection (PD) system is a driver aid only and is not a substitute for safe and careful driving. Under certain circumstances, the system may not detect other vehicles and/or pedestrians correctly. **8.** The Blind Spot Warning and Rear Cross Traffic Alert systems are driver aids only and are not substitutes for safe and careful driving. Under certain circumstances, these systems may not detect other vehicles correctly. Availability of advanced safety features varies by model, see dealer for details. **9.** Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, always wear your seat belt, sit upright in the middle of the seat, keep feet on floorboard, and do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear-facing infant restraint in the front seat. See your owner's manual and the instructions provided with your child restraint for additional information. **10.** All coverage terms are from the original in-service dates and are applicable only to the original owner of new, retailed models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles. See retailer for limited warranty, and roadside assistance terms and conditions.
